## HIDE YOUR BUTCHER KNIVES. CLUTCH YOUR SHOWER CURTAIN...NORMAN IS AT IT AGAIN!

Precious jewels and an unwitting curator have been hoisted from the Metropolitan Showcase of Art. Tracing the crime to the menacing Bates Motel, you are the only detective willing to take the case...

Travel to the Bates Motel to unravel this strange mystery. Enter both the Motel and the forbidding house on the hill to search for clues. Keep your eyes alert and your back to the wall as you encounter the psychotic Norman Bates and his curiously silent mother. Prove yourself worthy of the title, Master Detective, as you plot your escape with the stolen jewels, captive curator...and your skin intact!
